Success stories of our Customers

„Communication in the district administration will be faster and easier with the use of stashcat.“

Andre Funke

Personnel, Organization & IT Organization
of the District Administration Borken

„When we need to talk about the health of our players on short notice, stashcat is the optimal tool for us.“

Sven-Sören Christophersen

Sports Manager, DIE RECKEN

„At the city of Verden, stashcat facilitates our work in the home office and convinces with its simple and fast functionality. The fact that the company is based in Germany also played a role in the choice of communication tool.“

Jens Stelgerwald

Internal Service Department, EDP Department of the City of Verden
